

## KEY THOUGHTS

- Real authentic Faith shows itself.
- Throughout James he talks to us about how we can have a pure, undefiled, REAL faith
- If we have real faith it shows itself. When we walk with Jesus, our lives change. Everything around us changes. People should see change in our lives.
- Ask yourself this question today, "Are you living the life we're calling others to live?"
- If you follow Jesus, we are called to live above reproach. Living our lives in a way where people around us notice that there is something different.
  - Perseverance.
  - Resist temptation.
  - Doers of the word.
- Hear v. 22
- Look and Repent v. 23
- Persevere v. 25
